Treasury Department,
BUREAU OF THE MINT,

Washington, D. C., Jan. 12th, 1886.

Sir:

Referring to your letter of the 9th instant enclosing copy of the Report of the Melter and Refiner, giving the results of trials made by him on Black Lead Crucibles, it appearing that those manufactured by John A. Taylor are best fitted for use in melting the coinage metals. Your award of the contract to Mr. Taylor to supply Black Lead Crucibles, Covers and Stirrers, required by your Mint during the current fiscal year, at the following rates is approved:

Black Lead Crucibles 3½ cents per number

 " " Covers 1 " " "

 " " Stirrers 50 " " each

Very respectfully,

Hon. Daniel M. Fox,

Asst. U. S. Mint

Philadelphia.
